Stone

Through all these bloody years

Every gruesome battle I have fought

Not a one has given me

The vengeance I have sought

They haven't been punished enough

Revenge does loudly moan

Consequences mean nothing

To my hearts of stone

A merciless narcotic

This hate truly creates

But still my appetite for vengeance

It will not soothingly sate

So I continue to hunt them

For crimes they cannot atone

So maybe at last I can find peace

In my hearts of stone

End
file.
